Menu Bar di bagian atas belum semuanya berfungsi.

Fontnya terlalu thin, bisa dipilih yang agak thick jadi enak pas dibaca.

Let's try Tasty

Section Collections salah produk, seharusnya gambarnya tenun melookmel, tapi ini produknya Ance Yogurt. Ukuran **logo di mobie** terlalu kecil?

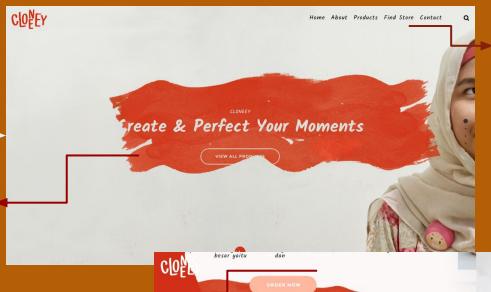

Menu Bar kalau di-klik memang transparan, kah? Jadi kayak tumpang tindih.

Section Collections salah produk, seharusnya gambarnya tenun melookmel, tapi ini produknya Ance Yogurt.

Background utama website bisa produk saja kah jangan orang?

Tulisan di bagian sini terpotong

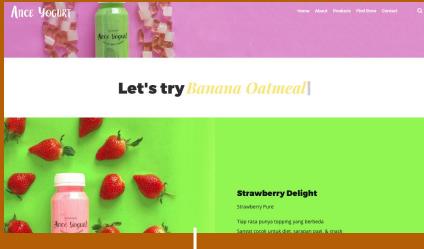

Menu Bar di bagian atas belum semuanya berfungsi.

Section Collections salah produk, seharusnya gambarnya tenun melookmel, tapi ini produknya Ance Yogurt.

Saat discroll ke bawah, ke bagian about kosong dan terpotong letaknya seperti ini.

Section Collections sama seperti melookmel yang jadinya malah lari ke Ance Yogurt lagi.

Font putih di beberapa section yang backgroundnya putih jadi tidak terbaca.
